

# Northcoast Marina & Campgrounds

## Suggestion & Maintenance

We are not always in the office but welcome your suggestions and comments anytime.

We want your input on everything good or bad to help the quality of your time at Northcoast Marina & Campgrounds.

For maintenance please give as much info as possible.

Location and problem

(even if it is just a light bulb needing replaced)

If we know about it we can fix it.

Please leave your name and number if we need to contact you about the problem or need more info.

If you think its an emergency please don't hesitate to call the marina number 440-998-6272.
