Policy for Use of Wireless Internet Access

Northcoast Marina and Campgrounds offers internet access to its members using their laptop computers or other devices. The following conditions must be accepted before users may access the internet.

This service is for members only, do not give out passwords.

The wireless internet access we offer is unfiltered. By using this wireless service you agree not to participate in abusive or illegal activity while using Northcoast Marina and Campgrounds Internet Service

Printing is not available over the WIFI network.

Wireless users should not transmit credit card information, passwords, or any other sensitive personal information over Northcoast Marina and Campground's wireless network as it is not secure. Anti-virus, Security protection, or malware protection is the responsibility of the user.

Use of the wireless network is at your own risk and Northcoast Marina and Campground is not responsible for any loss of data, or for theft or damage to personal equipment or software.

Staff cannot provide technical assistance for members using Northcoast Marina and Campground's wireless network. Staff cannot configure your laptop or wireless devices.

There is no guarantee that a wireless connection can be made or maintained. The wireless connection shall not be used for time consuming commercial purposes. No cameras, security systems are permitted on Northcoast Marina and Campground's wireless network. Cameras or security systems must be on their own cellular connection.

Northcoast Marina and Campground reserves the right to terminate a wireless internet session at any time.

Members are responsible for anyone using internet listed on their contracts.
